THE ROLLER BLIND COLLECTION

Roller blinds are the perfect window coverings for any room in your home. Our collection features a wide selection of fabrics, including luxurious woven textures, modern natural finishes and a variety of blackout plains and patterns to complement any interior design.

FABRIC CHOICES

*Blackout fabric does not create a fully blackout blind, there will be lightstrike at the edge of the blind.

roller WINDOW BLINDS

Louvolite is proud to design and manufacture in the UK. Our streamlined roller blinds are stylish, reliable and easy to operate with a smooth operating system that provides total control of the blind for all of your shading requirements.

All our blinds are made to measure to your unique specification. So whether it's one of our bold prints for your living room, a blockout fabric for the bedroom or a moisture resistant print for the bathroom or kitchen, you know you're in good hands.

We can even make your blind using energy saving fabrics with enhanced insulating properties. They reduce heat build up in summer and heat loss in winter, reducing heating and cooling costs in your home and saving you money.

Zen Kiwi

This innovative range of battery and mains powered motors operates single or multiple blinds with either interactive remote control, voice activation with Amazon Alexa, Google Home and Siri or App control on a mobile phone or tablet.

The interactive remote controls not only operate your blinds but also provide you with the battery status of your blind and remote.

The Smart Hub together with the Louvolite App allows users to schedule their blinds operation for added convenience and enhanced home security when they're away from home.

perfect fit

Stylish Perfect Fit® blinds are a fantastic choice for most uPVC windows and doors, and they're so easy to fit with no holes drilled into your window frames.

Louvolite Perfect Fit® is unique because the window blind fits neatly into a stylish frame which moves together with the windows and doors when they are opened and closed, giving you the perfect combination of shade and ventilation.
